

2018 Voluntary Contributions Reminder for End of Financial Year

Dear Aranda Primary School Parents and Carers,

This is a friendly reminder about making voluntary contributions to the school Library or Building Trust Funds as a part of the 2017/18 financial year. By donating to either of these Trust Funds you will be able to claim a tax deduction for your contribution when you lodge your tax return after 30 June 2018.

We are asking for families to contribute \$200 for their first child and \$100 for every child after that, up to a suggested maximum of \$400.

To pay the 2018 voluntary contribution, please return the 2018 Voluntary Contributions Confidential Payment Record which was distributed to families in Term 1. Alternatively you can download the form from the Notes Home section of the School Website http://www.arandaps.act.edu.au/_data/assets/pdf_file/0020/417242/2018_Voluntary_Contributions_Confidential_Payment_Record.pdf and make payment using one of the available payment options.

Thank you for your continued support of Aranda Primary School. If you have any questions please do not hesitate to contact the Front Office on 6142 3030 or info@arandaps.act.edu.au and your query will be forwarded on to the School Board.

Regards

Troy Heland
School Board Chair
