

Year 5/6 Camp Agreements

Dear Parents/Carers,

Attached is a Student Agreement for you and your child to sign as well as a Borambola Camp Agreement for your signature. Please read the Agreements with your child and return them to school with all signed forms by **Monday, 18 March 2019**. Note that, if your child suffers from asthma or uses a puffer or has anaphylaxis, you will also need to complete and return an Emergency/Asthma Treatment Plan to the school prior to camp. Please contact your child's teacher if you need a copy of this form.

Please note the following information:

Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities.

Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

The school has made every effort to keep costs for this activity at a reasonable level. Financial assistance may be available to assist families who are not able to make the requested contribution. Please contact the Business Manager. If however there is insufficient total funding available to meet the cost of the excursion, regrettably we may not be able to proceed.

The teacher in charge will make arrangements for the welfare of the student (including medical or surgical treatment) in an emergency. The costs associated with any emergency arrangement made by the teacher in charge will be met by the parents/guardians (free ambulance transportation only applies in the ACT).

The student will be under the authority of the school for the duration of the excursion and that the teacher in charge is authorised to return the student to the school at the expense of the parent/guardian if the teacher in charge considers that circumstances warrant such action and after contacting the parent.
