

HELP !

Clean Up @ Aranda

What: The P&C are supporting the school by coordinating a much needed clean up under the house. A very large store room needs your TLC.

When: **Sunday 17th June 9:00am – 12 :30pm**
Followed by a free thank you lunch.

Where: Volunteer online - your class reps will be send out info soon with details on how to volunteer and what needs to be done.
On the day meet in the 5/6 courtyard.

Why: The school is left to do much of its own facilities management, and like all good places there is decades of treasure hidden for us to declutter.

How: Volunteers are needed to fill 5 teams including *Stack and Store*, *Transport* and *Tetris Skip*. Intrigued there will be jobs for people of all physical abilities.

...more info on its way watch out for class rep emails
